Request Number EPA-R8-2014-000189

Dear Mr. Levitch:

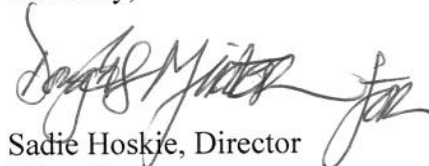

This letter is in response to your FOIA request of October 14, 2013, for information to perform a Phase I Environmental Site Assessment for several parcels located at Fort Carson, Colorado.

Due to the need for clarification of your request, per your concurrence during a phone conversation with Mr. Craig Boomgaard of my staff, on November 14, 2013, the deadline was extended a week and on November 19, 2013, you gave us permission to increase the Fee Limit from \$50 to \$100. The offices and programs that performed search and review efforts have included their comments along with any responsive records, all of which can be viewed via FOIAonline.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), Fax: (202) 566-2147, email: hq.foia@epa.gov. Only items mailed through the U.S. Postal Service may be delivered to 1200 Pennsylvania Avenue, N.W. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOIA number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

There is cost of \$56.00 for the research and review time to provide this information. An invoice will be sent to you under separate cover.

Sincerely,

Sadie Hoskie, Director
